EMMERSON Athena

I'm the oldest of the late Ruby Emmerson nee Brown (Nanny Kui) and Alan Emmerson of Muriwai.

With 20 years' experience in Community Development, offering a wealth of knowledge, skill and experience to the future development of Ngai Tāmanuhiri. Living in Muriwai, working with whanau, hapu, and the wider Turanga community through my mahi at Te Runanga o Turanganui a Kiwa, and governance roles with a number of community organisations, has enabled me to engage with the community, gaining insight to the issues, barriers and opportunities.

Driven by observing my mother over decades of her commitment to our Iwi, marae and people has given me a desire to see our whanau succeed - I believe good stewardship; strong communication and advocacy are key to ensure Ngai Tāmanuhiri achieves its social, economic, environmental and cultural objectives for the benefit of all Tāmanuhiri people and therefore seek your support in this election.

NGARANGIOUE Angus

I would like the support of the whanau to maintain a kaitiaki role on the Tutu Poroporo Trust. Institutional knowledge I have gathered over the years from past and current Trustees alongside governance roles on Pakowhai Incorporation, Maraetaha Incorporation and Muriwai Marae has been significant in the growth of my Trusteeship and financial literacy.

Mana Moana is an area I am committed to the successful outcome of our Takutai Moana and Mataitai applications. A member of the Pakowhai and Maraetaha Incorporation committees that successfully purchased land in Te Muriwai on behalf of their shareholders. Reanga Hau an initiative I support which will create a united iwi entity and build our capacity to advance any future collective commercial opportunities we may contemplate. Finally, the Trust Deed and Code of Conduct will guide me in my commitment to fulfilling and meeting core governance responsibilities.

Ka manaakitia koe e te Atua

WILSON (Wirihana) Tanith

'Let's make something happen'

We must future proof our iwi by investing into endeavours that strengthen our Tāmanuhiritanga by making sound and robust decisions that demonstrate due diligence, empower our people as a collective and cultivate an entrepreneurial spirit within our community.

I'm committed to good governance and bring the following to the table:

- Second year Business Bachelors student, transferring to study law, political science and public policy.
- Younited Tairāwhiti Vice President (EIT Student association).
- Marae Trustee and elected Hapu representative for Ngai Tawehi.
- Pakowhai No.2 incorporated blocks committee member.
- Former NZ First Party extra-parliamentary-executive-assistant-and-campaign-manager.
- Willing to collaborate with likeminded people that share the same vision to make Ngai Tāmanuhiri strong and self-sufficient.

The future of our tribe is in your hands, real change begins within ourselves and it begins with you, let's do this together, if you've had enough **'let's make something happen'**.
