

Ngāi Tāmanuhiri Customary Permit Process

Customary permits are for the purpose of gathering an amount that **exceeds** Fisheries NZ limits for individuals. Details about limits can be found at www.fisheries.govt.nz.

Any adult registered member of Ngāi Tāmanuhiri can make a request for a customary permit to harvest between Paritu and Kopututea.

The permit issuer has the right to restrict the amount that can be harvested.
